**2019 Group Interview Information**

In order to best select our camp staff, we use a two-interview process. The first interview is a group interview during which participants are asked to participate in discussions about camp and children, to work together, and **to teach something to the interview group that you might teach to children at camp**. What you teach at the interview is up to you, but it should be an activity you might do in camp such as a song, game, craft or skill. **Please come prepared to teach- be sure to bring any materials you need with you (plan for a group of 10), and please note that you will have about 5 minutes and will be teaching in an indoor environment.**

Listed below are the dates and times for the group interviews that we are holding for the upcoming summer. Select an interview that you would like to attend and indicate it on your application in the space provided. Upon receiving your application, we will send you an e-mail to confirm your group interview date and time.

If the interview that you select is already full, we will contact you regarding rescheduling. Information about a possible follow-up individual interview will be provided at the group interview.

All group interviews are conducted at our summer site location. We lease the site from the Gateway Church: Please note that Camp Kinneret is not affiliated with the Church and is a non-religious, non-sectarian program for all children.

Please allow yourself enough travel time and plan to arrive 10 minutes before the scheduled interview start time.

- **From the San Fernando Valley:** Take the 101 West to Reyes Adobe Rd. Turn left onto Reyes Adobe Rd.
- **From Thousand Oaks, Simi and Camarillo:** Take the 101 East to Reyes Adobe Rd. Turn right on Reyes Adobe Rd.

**Once on Reyes Adobe Rd.:**

- Go 300 yards to Agoura Rd. and turn left onto Agoura Rd.
- Travel approx. 1/2 mile on Agoura Rd. to 29646 (*on the right*)
- Look for signs for Gateway Church. Just past the main driveway, there will be signs directing you to parking and the interview location at camp.
